

FINANCIAL ACADEMY^{FA}

The Financial Academy is a **network** that unites financial organisations and educational institutions. The network's aim is to **share information and know-how** between its members and to increase collaboration between financial organisations and educational institutions to better account for changing needs in the sector. The network also seeks to improve the sector's **employer image**.

The network includes Finance Finland's member organisations and 24 educational institutions.

Working groups in 2025:

- Lobbying and foresight
- Education pathways and employer image

”The future is already here, and its makers are born from cooperation between employers and educational institutions.”

”This cooperation seeks to ensure that the sector has competent, enthusiastic and motivated employees and what the students learn meets the real needs of working life.”
